

Daily Routine

The nursery opens between 8am and 6pm Monday to Friday. All children are signed in and out when arriving and leaving nursery. All children will be encouraged to eat the snack, tea and meals offered. Different tastes will be offered and children will be encouraged to try them.

Following a consistent routine day after day gives children the sense of security they need to make choices and take risks, which opens the door to exciting learning opportunities. Our nursery day goes as follows:
